Ques Why does nature decide to adapt Lucy?

Ans Nature decided to make Lucy a lady of his own. Nature became her teacher & taught her the way of living.

Deers taught him to be playful & sportive. Clouds, wind, willows taught her the freedom of movement. Twinkling stars & rivers imparted their beauty on her.

Nature adopted her very young because it is hard to mould a grown up girl.

19. iv) Population problem  
In India.

Introduction → In India population problem is the biggest one. Since after 1947 India is facing it. With the birth of a girl named Aastha in 2000 the population of India reached 100 crore or 1 arab. To eradicate population problem we should first study the causes of it.

CAUSES OF POPULATION → The following <sup>were</sup> the causes of rise in population.

ORTHODOX OPINION →

Most of the Indian have an orthodox opinion of having more children. Being a father of many children is a glory. Children are considered God's blessings.

ILLITERACY →

Illiteracy is another cause for growing

population. Illiterates think more hands will earn more money. Hence they have more than 6 children.

### IMPROPER PLANNING →

In most of the villages of India Family Planning are not yet developed. Therefore people are unaware of the effects caused by growing population.

RESULTS OF GROWING POPULATION → It has very bad effects on the whole society.

### UNEMPLOYMENT -

Population is rapidly growing. But employment opportunities are not rising that fast. As a result many people are living below poverty.

### TERRORISM AND OFFENCES -

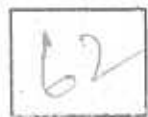

As the unemployment increases, crimes also increases. Out of frustration youth commits

crimes. They create problem not only for them but for others also

### SCANTY FOOD -

Agricultural yield is same as ever. It has not increased but population is increasing which is causing scarcity in provision of food.

### SET BACK FOR GOVERNMENT -

Population is becoming a set back for government. All of their money is spent ~~for~~ on population. Other development process never take place.

REMEDIES → Following By following some methods we can overcome this problem which is creating a big menace

### LAW AND ORDER

Government should apply strict laws of not having more than 2 children. It

should keep a check on population.

### FAMILY PLANNING ASSOCIATIONS -

Family Planning ~~are~~ organisations can help a lot in checking population. These organisations should be encouraged.

### ADULT EDUCATION -

Education should reach remotest villages of the country. It should teach adults the causes of over population. ~~Especially~~ Girls should be educated for they are the most important persons of the family.

### CONCLUSION -

Over population is bad in each & every way. It is a great threat for our country which is not letting us to develop. This problem should be uprooted and
